What is CLP?

CLP assists you in learning to direct your own services and supports and provides a monthly dollar amount for you to use.

With CLP, you will learn to:

1. Decide what services and items you need and want
2. Hire, train and manage those who help you
3. Schedule the services or make your purchases
4. Decide what is working well, what isn't and make changes in your supports if needed
5. Resolve problems, if you have any

Community Living Program

CLP's goal is to empower you so you can stay living in your home for as long as possible.

Becoming a Participant

Something you'd like to hear more about?

To learn more and see if you are eligible:

1. Contact your County Aging and Disability Resource Center (ADRC) at 643-2372 or www.HawaiiADRC.org
2. You'll be asked a series of questions to determine if you're eligible for the CLP or other programs.
3. CLP is a small, pilot project and may not be able to help everyone who is eligible.
4. If you're selected, you'll be contacted by the CLP "Coach" who will visit you in your home and explain CLP more fully. You make the choice to participate or decline.

Support System

You don't have to do this by yourself. CLP will provide a Coach and Financial Management Service staff to help you.

Coaching

Your Coach will help you learn to:

- develop your Support and Spending Plan
- decide what services and items to purchase
- schedule your services and manage your Spending Plan
- decide if your Support Plan is working for you and make changes if needed
- resolve problems you may have

In addition to providing information, your Coach will encourage you to seek information on your own. CPL's goal is to empower you so you can stay living safely in your home for as long as possible.

Financial Management Services (FMS)

The FMS staff will help you by:

- writing paychecks to employees you hire to help you
- answering questions you and the employees you hire have about payroll matters
- taking care of employer reporting issues like withholding and depositing taxes
- sending you a monthly report of your spending
- contacting you and your Coach if you request something not a part of your approved Support and Spending Plan
